F. No. 1(6)/2018-Exam Cell-Part (2)

Dated: 8<sup>th</sup> August, 2022

**PUBLIC NOTICE**

It is for the information of candidates aspiring to appear in ICAR's AIEEA (PG) and AICE-JRF/SRF(Ph.D.)-2022 examination in subjects like Environmental Sciences, Water Science and Technology, Veterinary/Animal Physiology, Veterinary/Animal Biochemistry and Animal Biotechnology that following changes/additions/corrections has been made in respective Information Bulletins (2022):

1. The admission to PG & Ph.D. Programmes in the disciplines of Environmental Science and Water Science and Technology at ICAR-IARI, Pusa New Delhi (ICAR Deemed to be University) through ICAR's AIEEA-PG and AICE-JRF/SRF(Ph.D.) will be continued. Since, ICAR-IARI is an ICAR Deemed to be University, whose 100% admission is done through ICAR's AIEEA and AICE; it is imperative to admit the students irrespective of accreditation status.
2. Candidates admitted to PG/Ph.D. programmes in disciplines of Environmental Science and Water Science and Technology through ICAR-AIEEA (PG) and ICAR-AICE-JRF/SRF (2022 and onwards) will not be eligible/entitled for any ICAR fellowships/scholarships; as these programs are not accredited.
3. The PG admission at ICAR-NDRI, Karnal in the disciplines of Veterinary Physiology, Veterinary Biochemistry and Veterinary Biotechnology (compliant to BSMA nomenclature) will be as per Information Bulletin of ICAR AIEEA-PG-2022. The eligibility of admitted students for the fellowship/scholarship shall be subject to accreditation of these programmes.
4. The admission to Ph.D. in disciplines of Veterinary/Animal Physiology, Veterinary/Animal Biochemistry and Animal Biotechnology at ICAR-NDRI Karnal will be allowed to those students who have passed before or during year 2021-22 or passing their PG (Master's degree) in these disciplines during years 2022-23 and 2023-24. However, the candidates admitted will not be eligible for ICAR fellowships/scholarships; as these disciplines are not BSMA approved. This relaxation has been considered for the reasons that ICAR-NDRI Karnal is ICAR's Deemed-to-be University; whose 100% admission is done through ICAR's AICE and it is imperative to admit such candidates.
5. The above approvals will not be compromising the minimum standards prescribed by the ICAR.

**In the AIEEA (PG)-2022 Information Bulletin:**
