Dated: 14.10.2024

To,

All the Vice Chancellors

Subject: Submission of proposals under Niche Area of Excellence reg.

Dear Sir,

The Indian Council of Agricultural Research (ICAR) invites fresh proposals from your university under the Niche Area of Excellence (NAE) scheme, aimed at achieving excellence in teaching, research, and capacity building in cutting-edge areas of agricultural education and research. This prestigious program highlights the strengths of NARES, and we encourage proposals based on your university's recognized vision, available human resources, infrastructure, and committed faculty.

Please submit comprehensive proposals, following the guidelines and proforma available on the Education Portal, no later than **15th November, 2024**.

We encourage you to personally motivate reputed faculty members to submit focused proposals. Priority will be given to proposals from universities that have not previously been sanctioned under the NAE program. Please note that no SRF/RA positions will be considered, and the work is expected to be carried out by faculty and PG/PhD students. Only one or two essential equipments, not currently available on campus, may be included in the proposal. Thank you for your cooperation. We look forward to receiving one quality proposal from your institution.

With regards,

Yours sincerely

14/10/24
Bimlesh Mann
