ASEAN-India Fellowship for Higher Education in Agriculture and Allied Sciences

ASEAN-India Fellowship For the Year 2024-25

The Government of India and the Association of Southeast Asian Nations (ASEAN) have initiated a fellowship program *ASEAN-India Fellowship for Higher Education in Agriculture and Allied Sciences* to strengthen the educational and cultural ties between India and the ASEAN member countries. This fellowship aims to promote academic exchange and cooperation between India and the ASEAN and shall help in the creation of a pool of expert human resources in ASEAN member countries on Agriculture and Allied Sciences which shall ultimately help in the upliftment of the socio-economic status and livelihood of the general population of ASEAN nations.

Under this new initiative, the students from ASEAN member countries shall be admitted to Indian Agricultural Universities from the academic session 2024-25 to pursue their Masters degree program in different disciplines of Agriculture and Allied Sciences. The fellowship includes Institute Economic/Bench fees, accommodation and a stipend ensuring that the selected candidates can fully immerse themselves in the academic and cultural environment of the Indian universities.

Ten fellowships for a duration of two years will be available for the year 2024-25. Detailed guidelines and link for online application are available on the ICAR Education portal: <https://education.icar.gov.in/AseanNotification>.

No hard copy or application sent through email will be entertained. **The last date for online submission of the application is August 12, 2024, by 17:00 hrs.**
