BACKGROUND

Libraries have been playing an important role in conserving and disseminating the knowledge since ancient period and are also termed as store house of knowledge. Libraries and Information Centres have been providing all types of services for the complete satisfaction of the user community. In this new era of global village, libraries have opened doors for all the users and are trying to reach the users irrespective of boundaries. With the innovation of new technologies, libraries are also expecting to extend their services in a manner so that the user may get the required piece of information within very short time having maximum satisfaction.

Agriculture has been playing an important role in the growth of Indian Economy and the scientists, students, researchers and farmers are putting their all efforts to fulfill the food need of the country. The agricultural librarians have to develop or adopt various innovative and emerging technologies to satisfy the queries of end users and to provide the latest information to them. In this new era of information explosion, newer technologies are essentially required to be identified and implemented. The digital age has changed the face of libraries forever and libraries must continue to change if they are to remain viable and respected institutions.

As such, this conference is being organized at Bihar Animal Sciences University, Patna to consider, share and exchange new ideas.

OBJECTIVES

- ▶ To provide a platform for exchange of knowledge, ideas and experience of Librarians, Information Specialists, Scientists, Information Providers and Persons related to Library and Information Science (LIS) in general and Agricultural Librarians in particular.
- ▶ To identify emerging innovations in the field of Library and Information Science and sensitize the LIS professionals.

BIHAR ANIMAL SCIENCES UNIVERSITY, PATNA

Bihar Animal Sciences University (BASU) has been established with its headquarters at Patna through an act of Bihar State (**BASU Act No. 15 of 2016**, notified in the Bihar Gazette on 29 August 2016). The University became operational from 13 June 2017 with the appointment of its Founder Vice Chancellor. The new University has been carved out of the Bihar Agricultural University as two of its constituent colleges at Patna viz. Bihar Veterinary College and Sanjay Gandhi Institute of Dairy Technology have been transferred to the BASU, whereas a new College of Fisheries is to be established. To further expand the horizon of the University and strengthen the research and outreach, following research institutes, stations and substations are being transferred to BASU

ASSOCIATION OF AGRICULTURAL LIBRARIANS AND DOCUMENTALISTS OF INDIA (AALDI)

The Association of Agricultural Librarians and Documentalists of India (AALDI) was founded in 1971 with an aim to bring Agricultural Librarians of the country on a platform to join hands, to address matters of professional interests in improving library system and services towards the agricultural user community. The Association held its General Body Meeting at Jawaharlal Nehru Krishi Vishwa Vidyalaya, Jabalpur in June 1973 and decided to publish a periodical entitled "AALDI Bulletin" annually to give vent to the intellectual thought of the Agricultural Library Professionals. The efforts of the Association bore fruit in 1974 when the first volume of the periodical saw the light of the day. To keep pace with the changing scenario and concept of agricultural librarianship, the title of the periodical was changed to "Indian Journal of Agricultural Library and Information Services" in 2008. It is important to note that the journal has been approved by the UGC vide UGC Journal Identification No. 64538. Due to some reason or other the Association became dormant and slowly passed into hibernation after 1993. It was revived during a workshop on 'Krishiprabha: Indian Agricultural Dissertation Repository' held at CCS HAU, Hisar in 2008. The Association has organized six National Conferences consecutively from 2009. The last National Conference was held in 2017 at Chaudhary Charan Singh Haryana Agricultural University, Hisar (Haryana)
